REQUEST FOR EXTENSION OF TIME
FOR FILING APPLICANT-APPELLANT'S BRIEF

It is respectfully requested that the time now set for filing Applicant-Appellant's Brief, **JULY 15, 2003**, be extended sixty-days so that it will be due **OCTOBER 7, 2003**. This request is not made for purposes of delay.

A draft of the **BRIEF FOR APPELLANT** has been forwarded to Applicant-Appellant for review and comment. Applicant-Appellant is out of the country on business and is expected to return the end of this month.

In addition and after considering the Examining Attorney's arguments, Applicant-Appellant has decided that the wisest course at this time would be to convert the application to the Supplemental Register. Applicant-Appellant is also in the process of completing and filing an Amendment to Allege Use. Once the Amendment to Allege Use is filed, Applicant-Appellant will file a Petition for Suspension of the Appeal and Restoration of Jurisdiction to the Examining Attorney for the consideration of an Amendment converting the application to the Supplemental Register.

Applicant-Appellant therefore makes this request for an extension of time to file its brief. If the sixty-day extension is nonetheless denied, Applicant-Appellant respectfully requests that the time to file its brief at least be reset for a brief period to afford time to prepare and file its brief.

Respectfully submitted,

EUGENE E. RENZ, JR.
